PUBLIC NOTICE

RE: APPLICATION FOR LICENCE FROM UTILITIES AT DISTRICT TOWNS, SMALL TOWNS AND NATIONAL WATER PROJECTS

The Energy and Water Utilities Regulatory Authority (EWURA), wishes to announce that all utilities at District towns, Small towns and National Water Projects are required to obtain licences for the provision of water supply and sanitation services in their area of jurisdiction in accordance to section no. 14 of The Water Supply and Sanitation Act, 2009, and section no. 7(1)(b) of the Energy and Water Utilities Regulatory Authority Act, Chapter 414.

According to the above mentioned Acts, it is illegal to continue providing services without being granted licences by EWURA and operating without licences will lead to legal action to be taken against the Utilities.

As required by the law , all utilities listed below have not applied for licences. Therefore this public notice calls for all utilities to submit their applications to EWURA latest by November, 30th 2009.
